

MILLER MOTORCARS

LONDON UK / SPRING 2024

MILLER MOTORCARS

Miller Motorcars invites you to a week of extraordinary indulgence of British automotive craftsmanship, design, culture and lifestyle.

Over the course of one week we will be visiting the inner sanctums of the entire gamut of the British automobile elite: McLaren Automotive, Aston Martin, Bentley and Rolls-Royce Motor Cars.

The week will kick-off with the trackside VIP experience of the Goodwood Members Meeting witnessing firsthand some of the finest and competitive racing skills behind the steering wheel of British race cars of all eras. We'll offset the adrenaline rushed day with the wonderful setting and tranquility of one of England's famous countryside hotels.

From here we'll continue the trip and take up residence in the beating heart of London, pampered by the luxurious and first-class service of the Mandarin Oriental.

This exclusive event will be an memorable experience with just ten likeminded couples attending. This invitation is not transferrable, and we kindly ask to treat it as confidential. We would be honored to have you on board this unique journey.
